

After the Church of God Preacher of Cambridge Maryland did immoral things to my mother when she was six years old

She did not feel any real desires until she married and have children of her own.

But when my father became a POW in WWII and a church of god preacher tried to take her baby away from her, she refused him.

So the preacher paid my mother's Aunt, Mrs. Parker of the Church of God in Cambridge Maryland to bring the baby to him.

My mother thought her baby was safe with her aunt; she believed that she loved her baby as much as she did.

When my mother learn what her aunt allowed the church of god preacher to do with her baby it killed her emotionally for life.
